The End time Bride of Christ

Take a look at the Beautiful Wedding and Marriage Covenant we attended in Jerusalem!

This message is my perspective of the Woman in Revelation 12, a controversial chapter of scripture. It is by no means the only perspective and I leave it open to various other interpretations.

When the Lord speaks about the Jew and Gentile becoming one body, it's a picture of the Bride. The beautiful thing about the Bride of Messiah is that it's where we are one! There are not many different brides, like there are many denominations or congregations. That would be adultery or polygamy. There's only one Bride. We all become one in our Bridal identity because we love One Bridegroom.

Revelation 12 tells us clearly where the heart of the Bride of Messiah is.

A great sign appeared in HEAVEN. A woman clothed with the sun, with the moon under her feet, and on her head a crown of 12 stars. Revelation 12:1

If you're still very earth focused, you haven't yet stepped into your bridal calling. It is written that a great sign appeared in the heavens: a woman. The Bride's mind-heart is set on the things above where the Bridegroom is. She has died with Him and her true life is hidden in the Messiah. Only when He appears, will she appear with Him in glory. The Bride of Messiah has learned to sit with Him in heavenly places.

Where your treasure is, there will your heart be also. Mathew 6:21

We are where our heart is.

Set your mind (heart) on the things above where Christ is seated at the right hand of God. Set your mind on the things above and not on the things of the earth. For you are dead, and your life is hid with Christ in God. When Christ, our life, shall appear, then shall you also appear with him in glory. Colossians 3:1-3

The Bride is clothed (invested all around/gk. periballo) with the sun. It's a picture of the glory of God. It's a picture of the heavenly glory. It's the Bride's clothing. It's what Adam and Eve were wearing before sin, when man had the Shekinah (the abiding glory and presence of God). The Bride is completely covered in the glory of God. Heaven is all around her. The moon is under her feet. Her authority extends between heaven and earth and she's making intercession. She's the Bride and she's one with her Bridegroom. She bears His heart! That's who we are. That's our place and our position. That's where we are one. The earthly and the temporal cannot make us one. When we take our position in the heavenlies, in the spirit realm, we become one.

The Bride wears a crown of 12 stars. This is the Hebraic continuity and essence of the Bride, the 12 tribes and also the 12 Apostles, the natural and the grafted in spiritual Israel. The Ekklesia is built on the foundation of the Prophets and the Apostles. Beloved, there is going to be a big fat Jewish-Greek/Gentile wedding. A double portion.

The pregnant Bride is a picture of intercession, of travail. Paul said, I travail (am in the pains of childbirth) until Christ be formed in you. The place of intercession is where the Bride unites the will of heaven to the earth, the spiritual and the natural, the divine and the human.

The Bride is pregnant with the man child and she's ready to give birth. Beloved, the Bride of Christ is pregnant much like Miriam/Mary, the mother of Jesus was pregnant before the marriage. We're already pregnant. As Miriam was pregnant before she got married to Joseph, so are we pregnant with the man child before our marriage to the Lord. We are pregnant with the glory and the presence of God, Christ in us, the hope of glory.

The heart of the Bride is single and undivided unto the Lord. The Bride is not divided: Jew against Gentile, denomination against denomination. We are one. We have one Father, one Family. The Bride has attained to that unity with God and with the brethren. This is the love that's been deposited into the heart and womb of the Bride of Christ, to love as He loves unselfishly, not thinking of ourselves.

Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ: Eph 4:13

This is that pregnancy and birthing of the man child who is caught up to God's throne and rules with a rod of iron.

And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. Rev 12:5

Before I met the Lord, I remember feeling so small and the enemy seemed so big. But when the Light and the Glory of the Lord came into my room and into my heart, I suddenly felt so huge and the enemy so small because the power and glory of God had come inside me. This is the Bride. She's big because she's pregnant. She's ready to give birth to the man child who is the mature body, in the likeness of Yeshua, who is going to be caught up to His throne and who is going to rule the nations with Him with a rod of iron.

We are praying for this region, Israel, Cyprus, Greece to become one, to become the Bride of the Messiah, the Biblelands to become one Bride, one glorious manifestation of the glory of God. We want the nature, the glory and the power of the Son/Sun to adorn us and to impregnate us in this region and then to be lifted up in the Spirit so that the moon/earth is under our feet as we are one with Him, so that He fills us all in all.

We are seeing a harvest of souls in this region and I am excited. I am asking those of you who receive these articles and updates to consider partnering financially and in intercession with this ministry to the Jew first and to the Greek/Gentile so that I can continue to win the lost in this Bible region. I am so grateful to those of you who give on a regular basis. You will surely be rewarded on that day and we will rejoice together. I can't wait!

Shalom and Agape,

Greta
