

**Dear Praying Friend,**

September, 2023

## **Above all that we ask or think**

I have been praying for more opportunities to meet Israelis in order to share Yeshua with them. One afternoon, as I was driving from another city on my way back from shopping in the city, the Lord instructed me not to go on with my plan to visit a friend, but to return immediately to my village. I obeyed. As I drove towards the center of the

village, I met some traffic police who had blocked off the streets so I asked what was going on. They said an Israeli festival was getting under way and that 30 buses were just arriving!

1400 Israelis descended on our Village, Lefkara, and for hours danced together with the Greeks, ate in our cafes, played music, strolled and shopped in our shops! I was able to share Yeshua with a number of them and several had open tender hearts, praying with me and taking the New Testament! God is moving in humble hidden places where He alone gets the glory! Israelis and Greek Cypriots dancing together is much better than politics!

*Therefore I say to you, Whatsoever things you desire, when you pray, believe that you receive them, and you shall have them. Mark 11:24*

The Lord is answering prayer over and abundantly more than what we can ask, imagine or think. I asked the Lord to bring some Israelis into my path and He brought 1400 of them right to my doorstep. He didn't let me miss this incredible opportunity and canceled my own plans that afternoon of the Israeli festival. It's impossible to report on all the myriads of opportunities He gives me to share the gospel. There is a flow from heaven in these last days to bring in the final harvest and I am seeing it unfold right before my eyes!

I just got back from a trip to Athens. Athens is the city where 41 years ago, the Lord showed up in my room, showed me hell, brought me to a deep heart repentance, flooded my room with the light of the glory of Yeshua and took me up to heaven. I haven't been to Athens for about 4 years but while the Lord was clearly telling me to go, He gave me a vision of the face of an old friend who I used to hang out with before I met the Lord and haven't seen in all these 41 years. I easily made contact with her. She was excited and delighted to connect with me so we met and shared for 4 hours over a meal. She heard my testimony for the first time and I heard about her battle with breast cancer 19 years ago. She was ready to open her heart to Yeshua and gave her life to Him! Beloved, every person God puts in our lives is significant and connected to us for the purpose of redemption. God is faithful. He never forgets our loved ones, whether they be family or dear friends. Keep praying and believing! We are here for such a time as this to bring in

the lost and we will rejoice with all of our loved ones at the Gate on that day when we joyfully enter the Kingdom of Heaven.

You are an integral part in winning the lost and building the bridge between Israel, Greece and Cyprus. Your faithful prayers to God and your financial support make it all possible. I thank you and bless you with all my heart.

*Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that works in us, Unto him be glory in the Ekklesia by Christ Jesus throughout all ages, world without end. Amen. Eph. 3:20-21*

**Shalom and Agape,**

*Pictures with testimonies below...*

My landlord accepted the Lord some months ago and is now reading the Word daily! Here I am praying for a spirit of anger that especially manifests when drivers cut into his lane. He says he has since been delivered.

The niece of my cousin Pitsa who went to be with the Lord some months ago received prayer and wept as Sylvie and I worshiped in music and dance!

The owner of a nearby taverna in the mountains told me she doesn't like to go to church and that she prefers going up the mountain to talk to God by herself. Here I am sharing the gospel with her and she is receiving prayer and a Bible. She was very open and grateful.

My landlord's sister in law is battling a very aggressive cancer and accepted the Lord. She said she never heard the gospel presented so clearly about salvation in Jesus alone and about having an intimate relationship with Him! God is right on time!
