

Dear Praying Friend,

Jesus the Jewish High Priest

I am resending a message I sent out in 2015 because it is so relevant to the Antisemitism that is rising unchecked all over the globe and because of the present war between Hamas and Israel which is part of the larger cosmic war between Truth and Error, Light and Dark, God and Satan.

In 1988, I had a powerful experience in the Lord. At the time, I was attending Times Square Church. When David Wilkerson was led by the Lord to return to NYC to establish this great end time work, the Lord instructed him to give first place to two things: the communion and Israel. It was during communion, that I was given a profound revelation.

Immediately, at the start of communion, there was an unusual presence of God. The atmosphere was so charged with His holiness that Bob Philips was led to call people forward to take the bread and wine at the altar, something he had never done before. I quickly got out of my seat with many others who were feeling the same tug to come closer to Christ in the communion. Then I returned to my seat and worshiped, but something supernatural was happening in the sanctuary and in my heart. Suddenly my eyes opened to see a man dressed in humble robe and head covering walking across the front of the altar. As he walked across the sanctuary, I heard the voice of the Holy Spirit say, "this is JESUS, the JEWISH High Priest."

The words were so precise and clear that I couldn't miss God's message to me. The Man I was beholding was JESUS. The emphasis was unmistakably on the word JEWISH. God was connecting Jesus to the Jewish High Priestly office in the Tenach (OT), and He was showing me their eternal oneness. By coming in human form as the High Priest of good things to come, Jesus elevated the priestly office to an eternal level.

I was smitten in my heart by the fresh reality that a Jewish Man entered the Holy of Holies not made by hands to atone for the sin of the whole world, not just Jewish sin, but Gentile sin as well! At once I felt the heavy weight of anti-semitism. I felt the twisted diabolical ungratefulness and contradiction in humanity towards this Jewish Man who willingly took their sin on His own body, yet hated Him and His people in the flesh.

And I will put enmity between you and the woman, and between your seed and her seed; it will bruise your head, and you will bruise his heel. Genesis 3:15

This enmity that God set between the Seed of the woman and the seed of the serpent in Genesis 3:15 drew the line in judgment to prevent any further evil from intermingling, but at the same time, it drove Satan to a diabolical targeted war against the woman's Seed. Anti-semitism is demonic hatred towards Jesus and His people for one reason: the body that God prepared to take the sins of the world and to crush the serpent's head was and is of Jewish origin. This makes Jesus and the Jews intimately, historically and geneologically connected as prime witnesses that God came in the flesh. Satan desires to rid the world of every speck of this evidence.

For this reason, the Apostle John declares:

Beloved, don't believe every spirit, but test the spirits whether they are of God: because many false prophets are gone out into the world. In this way you know the Spirit of God: Every spirit that confesses that Jesus Christ is come in the flesh is of God: And every spirit that confesses not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, which you have heard that it should come; and even now already is in the world. I John 4:1-3

John concludes in vs 6 that by THIS test of whether or not a spirit declares that Jesus Christ came in the flesh, we know the spirit of truth from the spirit of error. This is the litmus test and the basis of truth. The Jewish people are witnesses of the incarnation by being His physical progenitors and descendants. Every Jew reminds the devil that the Son of God came in the flesh and for this reason, they are detested by him and his horde of demons. Whether they believe in Him or not, Jews are targeted by Satan for annihilation.

Witnesses are the most dangerous people in the courtroom because they have the power to turn the case towards the truth. Satan seeks to kill the true witnesses before they enter the gospel courtroom to declare that Jesus Christ came in the flesh and died and rose from the dead. Every follower of Christ, Jew or Gentile, is a witness because the Holy Spirit indwells His body. The Spirit of Truth bears witness to Christ in us, the hope of glory.

Islam is that spirit of antichrist that denies that God came in the flesh. It denies that God has a Son. It denies His death and resurrection. This is the war, beloved, that is raging in the Middle East, Europe and in the whole world. It is the war between Truth and Error, between the Spirit of God and the Spirit of antichrist. It is time for us, God's witnesses, to proclaim the truth that Jesus Christ came in the flesh, that He died and rose from the dead and that He ascended in a glorified body. It is time to proclaim that He is coming again as the God-Man to rule the earth from Jerusalem for a thousand years.

Saints, we are at war. We need to pray, and we must also proclaim. If we do not declare that Jesus Christ came in the flesh, died and rose from the dead, we will not win. This

proclamation is our weapon against the spirit of antichrist who denies the incarnation. Let us not shrink back from declaring the truth in this critical hour.

Cyprus Stands With Israel

We had a Cyprus Stands with Israel rally in Larnaka a few days after the atrocities of October 7th. There were family members of hostages with us and we heard their heartwrenching stories. I had opportunities to hug, comfort and share with a number of people whose loved ones are hostages in Gaza. It was beautiful to see the Israelis and the Greek Cypriots standing shoulder to shoulder together. Please pray that both Cyprus and Greece will stand on the right side of history and truth with Israel until the full victory and not be swayed by the spirit of Antisemitism in the media.

Cyprus is flooded with Israelis fleeing the war in Israel. The Church, Government and individuals are trying to house the thousands who have arrived here in the last few weeks and continue to come. I continually have opportunities to meet and speak with Israelis about Yeshua. Hearts are softening and many are receiving the New Testament, prayer and salvation.

Two families recently took the New Testament after sharing my testimony of how I met Yeshua. They also received prayer about knowing Yeshua as their Messiah. As I gave the NT to one man, "Y," his eyes filled up with tears and he began to cry. I asked him why he was crying and he said, "I don't know. I feel so moved in my emotions." I told "Y" that it was because the God of Israel was giving him a sign and confirming to him that what I was sharing was indeed the Truth! We hugged and exchanged numbers and have been in touch.

In my village of Lefkara, I met "K" and "M" at a cafe and ended up sitting with them and sharing about Yeshua. "M" told me that recently someone gave him a NT and that he just started reading the book of Mathew. I was able to share my testimony and lots of truth with him from God's word. He was challenged, changed and grateful. We prayed and he opened his heart to Yeshua! God is moving mightily and soon Yeshua's light will shine more brightly out from the Jewish/Israeli people as many more come to know Him, be filled by Him and become a light to the nations.

I am so grateful to those of you who continue to pray and support this ministry! Thank you so much for helping me to proclaim the Gospel to the Jew first and also to the Greek!

Shalom and Agape,

Greta
